Dear Sirs,

**THE HILLSBOROUGH FOOTBALL TRAGEDY**

I write in acknowledgment of your letter of 7 February 1995 suggesting that the Daily Telegraph may be in contempt of court as the result of the reporting, in particular the editorial, carried on 3 February 1995.

The Attorney General has asked that some background enquiries be made. I will write to you again as soon as possible.

Yours faithfully,

S. J. WOOLER
